Newsletter 35

Friday 5<sup>th</sup> July 2024

The children have had an enjoyable week at school. On Tuesday, all of the classes were split into groups and assigned as a curriculum champion for specific subjects. It was really special to have children from every class represented and working together as a team to take part in activities linked to a particular curriculum subjects. The Art champions enjoyed learning some collage techniques inspired by the work of Eric Carle, whilst the Science champions enjoyed letting off lots of rockets (please look at the Nasa kids website for lots of inspiration) and the Music champions went to the junior school to listen to some live music being played by the children there. We hope that these opportunities inspire a love for learning in the children.

This week, the children also completed some work about the General Election. Democracy is one of the British Values that is taught in school and so the election was a great way we could model this to the children. Many classes had their own election where the children worked as a team to create their own manifestos of changes they would make to the school day before voting for a winning team. We heard the suggestion of an hours playtime each day was incredibly popular!

We look forward to seeing you on Monday but in the meantime, have a lovely weekend.

### Menu for week beginning 8<sup>th</sup> July:

<b>Monday</b>	Chicken Nuggets or Cheese & Onion Pasty with potatoes <b>Dessert:</b> Marble shortbread biscuit
<b>Tuesday</b>	Chicken Curry with Rice or Plant-based Hotdog <b>Dessert:</b> Apple Crumble
<b>Wednesday</b>	Beef Bolognese Pasta Bake or Pizza <b>Dessert:</b> Chocolate Banana Cake
<b>Thursday</b>	Gammon or Quorn Pieces, Yorkshire Pud, Potatoes and Veg <b>Dessert:</b> Lemon Drizzle Cake
<b>Friday</b>	Fish Fingers and Chips or Cheese and Potato Frittata <b>Dessert:</b> Flapjack

### Celebration Assembly

There was no celebration assembly today due to the new EYFS children visiting us for a settling session. We are looking forward to celebrating more children next Friday, 12<sup>th</sup> July. Invitations are being sent out today and a reminder will follow on Thursday. Please check your inbox carefully.

### New Caterers

As you will be aware, our provider of school dinners is changing in September to a company called Dolce. Attached to the email containing this newsletter, you will find the menu that will be available for children from September. We are really looking forward to this change and are sure that the children will enjoy the dinners too. Further details will be sent out shortly to let you know

how you sign up for these meals but in the meantime, parents are invited to come and sample some of the dinners that will be on offer on Thursday 18<sup>th</sup> July from 2.45pm to 3.45pm in the hall. Everyone is invited so do come along! (Please note this the same day as the opportunity to meet your child's new class teacher after school in their new classroom but you will have plenty of time to do both)

### Drop Off and Pick Up

We have recently spent a large amount of money on playground equipment. Sadly, this is getting broken during drop off and pick up times. Please may we ask that you keep your children with you at all times. This week, a whiteboard in the tyre has been broken – please see the photos below:

### Request from EYFS

The Hedgehogs, Ladybirds and Robins are turning their role play areas into Ice Cream shops! If you have any boxes for ice creams or ice lollies at home, please may you sent them in to add to the shop? Thank you!

### Reading to Murphy

Murphy is enjoying being out and about in school and he especially loves to hear children read! If you would like your child to take part, you need to give permission for this using the School Gateway App – Payments section. There should be an option called Reading with Murphy to give permission (there is no charge!) If your child has permission but has not yet been able to read with Murphy, please do not worry as we will be continuing this initiative in September. Thank you.

### Code of Conduct for Parents

In the email sent out which contains this newsletter, there is an attachment of a draft Code of Conduct for parents. This has come about due to recent events amongst a small minority of parents, including coming into school and shouting at staff, parents approaching other parents to raise issues about school and some unhealthy conversations being had in separate parents' WhatsApp groups. Please note that this ew policy is in draft form at the moment and you are invited to read and it and then raise any comments or questions using the form available at the following link:

### Year 1 Stay and...

Parents of Year 1 children are invited to a Stay and...Asia event on Wednesday 17<sup>th</sup> July at 9.00am. A letter about this will follow but we wanted to let parents know in advance that it is going to be an Art gallery to enjoy.

### Transition

We were so proud of all of the year 2 children this week who went to 'Bump Up Day' at Harnham Junior School this week. Everyone had a great day meeting their Year 3 teachers, as well as Year 6 buddies. The

staff at Harnham Junior School were very complimentary about the children's behaviour and conduct and they are so looking forward to welcoming them in September.

This morning, we hosted a special Q&A session with members of staff from the junior school for any year 2 children who may still be feeling a little nervous or wobbly about the upcoming transition to year 3. This was a big success and everyone's questions were answered.

It was also great to welcome the new EYFS children to school today for their second settling session. The hall was turned into a larger classroom and the children and parents came and enjoyed playing and exploring what was on offer. There was such an exciting buzz in the hall and the new reception teachers have all come away smiling about the way their classes are bonding already. We are looking forward to seeing them again next week!

Online Safety:

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many platforms which we believe trusted adults should be aware of. Please visit [nationalonline.com](https://nationalonline.com) for further guides, hints and tips for adults.

# What Parents & Carers Need to Know about DISNEY+

## WHAT ARE THE RISKS?

The Walt Disney Company's streaming service, Disney+ combines entertainment from the famous animation studio itself with Pixar, Star and National Geographic, plus the Marvel and Star Wars franchises. With access to the latest releases, Disney classics and original series, there's plenty of content to explore. While parents may have noted that adverts have now been introduced on some versions of the service, the platform is – unsurprisingly for a Disney product – designed to be appropriate for the whole family.

### LESS SUITABLE CONTENT

While Disney+ is predominantly family friendly, there are some movies and shows in its library which are aimed at an older audience: these may scare younger ones or contain themes or language that you'd rather your child wasn't exposed to. You could avoid such situations by enabling Junior Mode (see 'Adjust content settings', below) or specifying a content age rating for your child's profile.

### BINGE WATCHING

With the option to view content on any internet-enabled device and a growing catalogue of movies, cartoons and documentaries, Disney+ can make managing screen time difficult. This could result in children binge watching content, distracting them from activities like homework or socialising. Too much screen time has also been shown to negatively impact mood, sleep patterns and weight.

### PHISHING EMAILS

Be especially cautious if you receive emails or text messages purporting to be from Disney+. There have been numerous reports of online scammers impersonating Disney+ staff in an attempt to gain access to subscribers' personal information. Disney+ states it will never email or call customers asking for their payment details, their private information or their password.

### ENCROACHING ADVERTS

Disney+ has introduced a new subscription package – Disney+ Standard with Ads – which plays commercials before movies and during shows (like many TV channels). There are no adverts in Junior Mode, but profiles with a content rating of 6+ years will see ads appropriate for that age category. Adults who give consent will see personalised adverts based on their location and viewing history.

### ACCESSING ADULTS' PROFILES

If adults don't set a PIN for their profile, children could access it and encounter content which isn't age appropriate. In the settings, Junior Mode has a toggle titled 'Kid-Proof Exit' which requires the user to read four words (numbers, spelled out) and enter them to switch profiles. For older children who can read, though, this isn't secure enough – so using a PIN for adult profiles is recommended.

## Advice for Parents & Carers

### ADJUST CONTENT SETTINGS

When setting up an account, there's an option to create profiles in what's called Junior Mode. This generally covers material that's suitable for children up to age 6 and is therefore fairly limited. You can give older children a wider choice of viewing by building a standard profile, then going into the settings and choosing a content rating from one of the pre-set alternatives: 6+, 9+, 12+ or 14+.

### ADD PIN PROTECTION

Disney+ enables you to effectively lock profiles behind a four-digit PIN. In particular, some of the shows on the platform's Star content hub are far more oriented to adults (including several hard-hitting dramas from US networks), so protecting parents' or older siblings' profiles with a PIN will help to prevent younger children stumbling across material which isn't intended for them.

### TURN OFF AUTO-PLAY

When a cartoon, show or movie finishes, Disney+ uses algorithms to identify content with similar themes, which it thinks your child will also enjoy. This suggestion will then automatically begin to play by default. There's an option to turn off this auto-play function in the profile settings, which will encourage your child to take a break from the screen and move on to a different activity.

### ENJOY AS A FAMILY

When your child watches a movie or show on Disney+ for the first time, you may want to sit with them to ensure it's suitable. You could do the same when introducing them to older films that you haven't seen for years: your perception of what's appropriate has very probably changed, and some of the language and attitudes in movies from your own childhood may seem quite shocking today.
